

RF PLUS™ WAREHOUSE MANAGEMENT SYSTEM

Transform your warehouse into a strategic advantage

RF Plus™ specifically addresses material management needs of best-in-class manufacturers. It encompasses all tools required by manufacturers to increase throughput and optimize warehouse efficiency, turning their warehouse from a cost center into a strategic advantage.

Why RF Plus is a SMART warehouse management system?

- Provides real-time inventory visibility
- Follows best practices for inventory handling
- Provides complete inventory control
- Is easy to deploy
- Reduces material handling costs
- Reduces buffer stock
- Increases manufacturing throughput
- Supports growing businesses
